JOHN KUNKEL SMALL

1935

BIBLIOGRAPHY

List of signed botanical notes, papers, monographs, and books, mainly on the flora of eastern North America, by John Kunkel Small; printed for the convenience of botanists, amateur and professional, who may be interested in the vegetation of the area involved, and who may wish to refer to the interpretations of it as recorded and illustrated in the works indicated.—Copies of some are available as separates.—Prepared by John Hendley Barnhart, Bibliographer of The New York Botanical Garden.

Classification of plants endowed with the habit of sleep. College Student (Franklin and Marshall College, Lancaster, Pa.) 10: 151-153. My 1890.

Notes on *Asplenium pinnatifidum* Nutt. Bull. Torrey Club 17: 257, 258. 9 O 1890.

A botanical excursion into Lycoming and Luzerne counties [Pennsylvania]. College Student (Franklin and Marshall College, Lancaster, Pa.) 11: 108-110. Mr 1891. (With Amos Arthur Heller.)

Preliminary list of the mosses of Lancaster County, Pa. 1-8. Lancaster, Pa. 6 F 1892.

Flora of western North Carolina and contiguous territory. Mem. Torrey Club 3¹: 1-36. 20 F 1892. (With Amos Arthur Heller.)

List of mosses [collected in western North Carolina and contiguous territory]. Mem. Torrey Club 3¹: 37-39. 20 F 1892.

A singular *Rudbeckia hirta*. Bull. Torrey Club 19: 95, 96. 5 Mr 1892.

***Sphagna* from North Carolina.** Bull. Torrey Club 19: 195. 4 Je 1892.

A preliminary list of American species of *Polygonum*. Bull. Torrey Club 19: 351-370. 15 D 1892.

Further notes on American species of *Polygonum*. Bull. Torrey Club 20: 213-217. pl. 156. 10 My 1893.

Cohesion of the filaments in *Salix myrtilloides*. Bull. Torrey Club 20: 441. f. 15 N 1893.

Report of the botanical exploration of southwestern Virginia during the season of 1892. Mem. Torrey Club 4: 93-201. pl. 75-82. 18 N 1893-17 Ap 1894. (With Anna Murray Vail.)

The altitudinal distribution of the ferns of the Appalachian Mountain system. Bull. Torrey Club 20: 455-467. 26 D 1893.

Studies in the botany of the southeastern United States—I. Bull. Torrey Club 21: 15-20. pl. 171, 172. 25 Ja 1894.

Morphological notes on the genus *Brunnichia*. Bull. Torrey Club 21: 131, 132. [f. 1, 2.] 24 Mr 1894.

***Aristolochiaceae* [of northeastern North America].** Mem. Torrey Club 5: 136. 12 Ap; 137. 27 Ap 1894.

New and interesting species of *Polygonum*. Bull. Torrey Club 21: 163-173. pl. 193-196. 25 Ap 1894.

***Polygonaceae* [of northeastern North America].** Mem. Torrey Club 5: 137-142. 27 Ap 1894.

Studies in the botany of the southeastern United States.—II. Bull. Torrey Club 21: 300-307. pl. 212. 20 Jl 1894.

Two species of *Oxalis*. Bull. Torrey Club 21: 471-475. pl. 222, 223. 24 N 1894.

Notes on some of the rarer species of *Polygonum*. Bull. Torrey Club 21: 476-482. pl. 224. 24 N 1894.

- Polygonum tertiarium*. From Mem. Dept. Bot. Columbia Coll. 1: 16. pl. A. 1895.
- Studies in the botany of the southeastern United States.—III. Bull. Torrey Club 22: 43–48. pl. 228. 15 Ja 1895.
- Some new hybrid oaks from the southern states. Bull. Torrey Club 22: 74–76. pl. 232–235. 26 F 1895.
- A monograph of the North American species of the genus *Polygonum*. Mem. Dept. Bot. Columbia Coll. 1: 1–183. pl. 1–84. 23 Ap 1895.
- Studies in the botany of the southeastern United States.—IV. Bull. Torrey Club 22: 365–369. pl. 246. 31 Au 1895.
- Teratological notes. Bull. Torrey Club 22: 399, 400. [f. 1, 2.] 30 S 1895.
- Two new genera of Saxifragaceae. Bull. Torrey Club 23: 18–20. pl. 256, 257. 30 Ja 1896.
- Studies in the botany of the southeastern United States.—V. Bull. Torrey Club 23: 125–130. 30 Ap 1896.
- Oenothera and its segregates. Bull. Torrey Club 23: 167–194. 30 My 1896.
- A neglected species of *Oxalis* and its relatives. Bull. Torrey Club 23: 265–269. 20 Jl 1896.
- Polygonaceae. In Britton and Brown. Illustrated Flora 1: 541–569. f. 1285–1358. [15 Au] 1896.
- Studies in the botany of the southeastern United States.—VI. Bull. Torrey Club 23: 295–301. 20 Au 1896.
- New and noteworthy species of *Saxifraga*. Bull. Torrey Club 23: 362–368. 25 S 1896.
- Studies in the botany of southeastern United States.—VII. Bull. Torrey Club 23: 405–410. 25 O 1896.
- Two Nuttallian species of *Oxalis*. Bull. Torrey Club 23: 455–457. 25 N 1896.
- An apparently undescribed species of *Prunus* from Connecticut (*Prunus Gravesii*). Bull. Torrey Club 24: 44, 45. pl. 292. 28 Ja 1897.
- A new *Polygonum* from Bolivia (*Polygonum fallax*). Bull. Torrey Club 24: 46, 47. pl. 293. 28 Ja 1897.
- The relation between the genera *Thysanella* and *Polygonella* as shown by a hitherto unobserved character. Bull. Torrey Club 24: 47, 48. illust. 28 Ja 1897.
- Cymbalaria cymbalaria* (L.) Wetts. in eastern Pennsylvania. Bull. Torrey Club 24: 53. 28 Ja 1897.
- Shrubs and trees from the southern states.—I. Bull. Torrey Club 24: 61–64. 28 F 1897.
- Studies in the botany of the southeastern United States.—IX. Bull. Torrey Club 24: 169–178. 24 Ap 1897. (Number VIII was not published.)
- A new species of *Clematis* from Tennessee (*Clematis Gattingeri*). Bull. Torrey Club 24: 209, 210. 24 Ap 1897.
- Studies in the botany of the southeastern United States.—X. Bull. Torrey Club 24: 228–236. 29 My 1897.
- Oxalidaceae. In Britton and Brown. Illustrated Flora 2: 344–347. f. 2250–2257. [31 My] 1897.
- Euphorbiaceae. In Britton and Brown. Illustrated Flora 2: 361–381. f. 2289–2338. [31 My] 1897.
- Onagraceae. In Britton and Brown. Illustrated Flora 2: 475–500. f. 2555–2600. [31 My] 1897.
- Studies in the botany of the southeastern United States.—XI. Bull. Torrey Club 24: 331–339. 29 Jl 1897.
- Shrubs and trees of the southern states.—II. Bull. Torrey Club 24: 437–445. 30 S 1897.
- Studies in the botany of the southeastern United States.—XII. Bull. Torrey Club 24: 487–496. pl. 315. 30 N 1897.
- Studies in North American Polygonaceae.—I. Bull. Torrey Club 25: 40–53. 25 Ja 1898.
- Studies in the botany of the southern United States.—XIII. Bull. Torrey Club 25: 134–151. 19 Mr 1898.

- Notes and descriptions of North American plants.—I. Bull. Torrey Club 25: 316-320. 8 Je 1898.
- Abnormal inflorescence in *Saxifraga fallax*. Bull. Torrey Club 25: 391. pl. 343. 15 Jl 1898.
- Studies in the botany of the southeastern United States.—XIV. Bull. Torrey Club 25: 465-484. 10 S 1898.
- Studies in the botany of the southeastern United States.—XV. Bull. Torrey Club 25: 605-621. 16 D 1898.
- Undescribed species from the southern United States. Bull. N. Y. Bot. Gard. 1: 278-290. 13 Ap 1899.
- The genus *Bumelia* in North America. Bull. N. Y. Bot. Gard. 1: 437-447. 30 Mr 1900.
- Notes and descriptions of North American plants.—II. Bull. Torrey Club 27: 275-281. 26 My 1900.
- North American woods presented by Mr. Morris K. Jesup. Jour. N. Y. Bot. Gard. 1: 149-151. O 1900.
- The summit flora of King's Mountain and Crowder's Mountain, North Carolina. Torrey 1: 7, 8. 29 Ja 1901.
- Shrubs and trees of the southern states.—III. Bull. Torrey Club 28: 290-294. 21 My 1901.
- A Kentucky cornel (*Cornus Priceae*). Torrey 1: 54, 55. 22 My 1901.
- The Mimosaceae of the southern United States. Bull. N. Y. Bot. Gard. 2: 89-101. 27 My 1901.
- Shrubs and trees of the southern states.—IV. Bull. Torrey Club 28: 356-361. 19 Je 1901.
- An Alleghanian *Rudbeckia* (*Rudbeckia monticola*). Torrey 1: 67, 68. 20 Je 1901.
- The flowerless plants (cryptogams) of the Synoptic Collections. Jour. N. Y. Bot. Gard. 2: 81-87. pl. 6, 7. Je 1901.
- Juncoides in the southeastern United States. Torrey 1: 73-75. 13 Jl 1901.
- A weeping *Crataegus* (*Crataegus lacrimata*). Torrey 1: 96-98. 23 Au 1901.
- Dasystoma flava* and some related species. Bull. Torrey Club 28: 451-453. 27 Au 1901.
- The rediscovery of *Elliottia*. Jour. N. Y. Bot. Gard. 2: 113, 114. Au 1901.
- Two species of *Chamaelirium* (*Chamaelirium luteum* and *C. obovale*). Torrey 1: 107, 108. 28 S 1901.
- Polygonaceae. In Britton. Manual, 350-367. [O] 1901.
- Oxalidaceae. In Britton. Manual, 575-578. [O] 1901.
